Hi Shodja,

Please note that as a result of the recent ICC election and the ongoing settlement, the ICC is unable to process membership requests, including cancellations and requests for membership lists, until after the settlement is closed. You may find an email from Marvin Huberman, court-appointed monitor, explaining the situation here: https://www.iccongress.ca/notice_from_monitor_huberman.

Unfortunately, we do not know of the time the court might close the case so we recommend that you follow up with the ICC again in a couple of weeks.

Best,
ICC Team.
