Hi Admin,

Below is Mr. Huberman's response stating that ***"section 307 ICC Members List... is outside of the Monitor's purview which relates exclusively to the ICC 2019 and 2019 Election which were held on December 13, 2020.."***

Please send me the list of members at once as you did send it to at least one other member. and let me know how I can send you the \$40. Attached please find again the affidavit stating the list will be used solely for matters related to ICC.

I am putting other members of the Board in CC for their information, as well as Mr. Shams who has been keeping a rich and valuable archive related to ICC, helping transparency.

Looking forward for your positive response and action.

Dear Dr. Ziaian,

Your email dated January 20, 2021 below has been forwarded to me for reply.

Please be advised that I, as the Court-Appointed Monitor, have no power or authority to deal with your section 307 ICC Members List request, as this is outside of the Monitor's purview which relates exclusively to the ICC 2019 and 2019 Election which were held on December 13, 2020.

I hope that you have a safe, healthy and productive New Year.

Yours truly,

Marvin J. Huberman, Court-Appointed Monitor
